

INFORMATION PACKAGES

Over many years, JTA has developed a valuable library of Twin Cessna Product Information.

Today, many years after the initial marketing of these aircraft by Cessna, JTA has original marketing materials plus several Pilot Reports written through the years and information on current aftermarket information products.

In addition to product information on Twin Cessnas, in general, and specific models, the Information Packages include valuable information on the correct procedures for the purchase of a Twin Cessna.

The normal charge for JTA Twin Cessna Information Package is **\$50.00**. The package focuses on a particular model Twin Cessna. Information on additional models is **\$25.00** each.

To purchase a JTA Twin Cessna Information Package, mail a check make payable to:

**Jerry Temple
P.O. Box 580
Frisco, TX 75034**

Credit cards are not accepted. Packages are sent via Priority US Mail unless requested otherwise. Checks are not deposited until JTA mails the package.

NOTE: The cost of a JTA Twin Cessna Information Package is fully reimbursed should the purchaser ever do business with JTA.
